April 28 th	10:00am-12:00pm	Morris Animal Clinic 2390 Alex Harvin Hwy, Manning	Dr. Morris

The South Carolina Rabies Control Act requires that all dogs and cats have a current rabies vaccination. For the majority of vaccines, the minimum age to vaccinate these pets is 12 weeks of age. Upon vaccination, the pet should wear the serially numbered rabies tag, provided by the veterinarian, around its neck. The licensed veterinarian will also provide a certificate of vaccination.
